

# Versatility of Conventional Fungicides & Bactericides for Vegetable Growers

## Compiled Winter 2017-18

By Genevieve Higgins, UMass Vegetable Extension

### Please note the following:

- At the time of writing, all products listed were registered in at least one New England state. Check the registration status in your state before using any product.
- Pesticide labels are legal documents for product use. Disregard any information in this document if it is in conflict with the current label.
- No company or product endorsement is implied or intended in this document. Always read the label before using any pesticide.

### Key
