

University of Massachusetts Extension
4-H LIVESTOCK VERIFICATION FORM
4-H Project Year October 1, _____ to September 30, _____

Required form for all leased 4-H project animals
This form must be on file in the member's local 4-H office
Deadlines: May 1st for Dairy & Beef; June 1st for Goats, Sheep & Alpacas

One copy of this agreement must be filed with the County Extension Educator, one with the 4-H club leader and the original must remain with the 4-H member. The Livestock Verification Form should be filed at the start of the 4-H year along with member enrollment paperwork or within two weeks of the beginning of the lease agreement.

Parents leasing animals for their children are strongly encouraged to review and use the Livestock Leasing Agreement to clearly delineate roles and responsibilities.

This certifies that 4-H member _____
Name of member

and owner of the animal(s) _____
Name and address of owner
