Sheep & Goat Parasite Control Workshop

Saturday, June 22, 2013
9 AM to 1 PM
Bristol County Agricultural High School
Cafeteria Bldg.
84 Center Street
Dighton, MA 02715

Presented by: Katherine Petersson, Ph.D., Animal Scientist,
University of Rhode Island

Subjects To Be Covered:
- Integrated Parasite Control for Small Ruminants
- Hands-on training in the use of the FAMACHA© system for detection of anemia associated with Barber Pole worm infections
- USDA SARE Grant: “Improving Small Ruminant Parasite Control in New England”

Cost:
$11 for laminated FAMACHA card (optional)

RSVP to: Holly Burdett, URI Cooperative Extension: 401-874-2249 or hburdett@uri.edu

Sponsored by:
Bristol County Agricultural High School
University of Rhode Island Cooperative Extension
USDA Sustainable Agriculture Research and Education
We will be meeting in the Cafeteria Building on the north side of Center Street, opposite the main high school campus. There is a classroom located immediately behind the cafeteria.

Light snacks will be provided. You are welcome to bring a brown bag lunch and eat at any time during the presentation.

There is an $11.00 fee (optional) if you wish to obtain the laminated FAMACHA Card. Cash or Checks made payable to the University of Rhode Island can be accepted.
