

Co-Packers

Last Updated: April 2021

The following is a non-exhaustive list of agencies to contact for Co-Manufacturing and Co-Packing. Each operation is different; contact for more details if your specific product fits production capacity and capability.

The University of Massachusetts Extension seeks to connect stakeholders with the resources they need. The University of Massachusetts Extension does not preferentially endorse any of the following businesses; this list is simply a starting point.

If you know of a business that should be included in this list that is not please email amanda.kinchla [at] foodsci.umass.edu with “Website Resource Addition” in the Subject line.
