Let's Welcome
Charlee The Clover
To Massachusetts 4-H!!

When?

Due by
December 29th

2020 Has been a tough year for all of us from missing fair, teen leadership, club events, and so much more. Charlee wants to travel to bring joy to 4-Hers across the state.

Please send your creations to
hhamilton@plymouthcountyma.gov.
Call 774-404-7020 with any questions.

What to do:

1. Print and cut out Charlee the Clover
2. Show Charlee around. Take pictures/videos of our friendly clover learning about your 4-H project. Be sure to share how you have been keeping busy with your 4-H project during these times.

Cut me out and let's get our adventures started!!
