More about Scholarships?

Did you know that Dunkin Donuts offers scholarships as well as Big Y Supermarkets? (This applies if they are in your shopping area.) Search for scholarships if your parents are involved in professional organizations such as the Elks or Knights of Columbus, as well as professional unions. Five of the most popular sites for scholarships are: www.Fastweb.com , www.CollegeBoard.org , www.Scholarships.com , www.CollegeNet.com , and www.USAScholarships.com .

If you exhibit animals, there are various breed-specific scholarships. You can check out the Hoards Dairyman and National Dairy Shrine for dairy scholarships, the American Kennel Club for dogs, and beef and horse associations for their respective scholarships. The Big E fair offers various trustee scholarships to youth who have participated or exhibited at the fair. Some of your local fairs also offer scholarships to past exhibitors. The Massachusetts 4-H website is another good resource:

<https://ag.umass.edu/mass4h/forms-applications/scholarship-application> .

Remember to start your search early and check the sites regularly. Good luck!

Animal Lease/Verification Forms

If you plan to exhibit a leased animal at any 4-H fair and/or the Big E, you need to submit a Livestock Verification Form to the 4-H office. Forms are due

April 1st *Horse (use Horse Verification Form)

May 1st for Dairy, Beef, Dog

June 1st for Goats, Sheep, Alpacas, Swine, Rabbits & Poultry

The forms are found on our website on the "forms & links" page. www.plymouthcounty4h.org

Do your Animal Verifications online.

Attention 4-H families! You may have noticed when you are in your 4hOnline profile that there is an animal tab just to the left of the enrollment button. You can enter information on your animal project online to meet the verification requirement. For online horse verification: you must complete all fields and upload a front and side view picture; uploading the Coggins is optional. Deadlines still apply so make sure to do this early to allow time for any technical glitches and to receive confirmation that the verification is complete!

National 4-H Dairy Conference

The National 4-H Dairy Conference is a leadership conference for 4-H dairy project members held in conjunction with World Dairy Expo in Madison, Wisconsin. The intended outcomes are to promote and sponsor an educational program which will provide a better understanding on the operations involved in the production, processing, marketing, and use of dairy products, as well as related areas. The conference allows youth to increase their understanding of the dairy industry, learn about vocational and professional career opportunities, and practice good citizenship and group participation.

Requirements: You must have completed 10th grade (15 years old), completed three years in the 4-H dairy project area, never attended this conference, and provided significant leadership in the dairy project at the local level.

The application is online at https://ag.umass.edu/sites/ag.umass.edu/files/pdf-doc-ppt/2018_national_4-h_dairy_application.pdf
