*Massachusetts 4-H Program Curricula*  
*Pioneer Valley 4-H Office*

*Welcome!*

The following is a list of curricula that are available for lending through the 4-H office. Many of the curricula on this list have passed a rigorous 4-H national jurying process. Our curricula are presented in an age-appropriate, hands-on manner, but most importantly they are easy to use and fun for the participants.

The Berkshire 4-H Office carries the books listed here, but more are being added all the time! If you would like to review any of them, call 1-800-374-4446 or 413-577-0788 to set up a time to stop by.

Please check out our website at [www.mass4h.org](http://www.mass4h.org) for more information on the 4-H program.

I hope you will try some of our “4-H Recommended Curricula” and find it useful.

Sincerely,

A handwritten signature in black ink that reads "Thomas M. Waskiewicz". The signature is written in a cursive style with a horizontal line above the first few letters.

Thomas M. Waskiewicz  
Extension 4-H Educator

### **Aerospace**

Aerospace - Skills for Life Series – Complete Set  
Rockets Away

### **After School Programming**

4-H Afterschool –Food, Culture, and Reading  
A 4-H Afterschool Resource Guide – Complete Kit  
After-school Style  
Multiple Intelligences & After School Environments Keeping All Children  
in Mind

UMass Extension prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, or marital or family status. UMass Extension is an equal opportunity provider and employer, United States Department of Agriculture cooperating.

Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape; etc.) should contact their local Extension office for reasonable accommodations information or contact the main Extension Office in Amherst.

Those who wish to file a complaint of discrimination are urged to contact the Extension Director to first discuss the situation and determine remedies, or to request the appropriate University, state or federal complaint procedures and forms.
