U N I V E R S I T Y O F M A S S A C H U S E T T S A M H E R S T

Welcome.....

The 2018 Hampshire County 4-H Fair showcases the continued achievements and skills that our 4-H and other youth have learned throughout the year. 4-H, along with projects from Boy Scouts, Girl Scouts, school, and other youth organizations are welcome. The Hampshire County **4-H Fair is open to any youth** who meet the age eligibility listed in the general rules. Youth under 8 years old as of 1/1/18 should check specific department rules.

As you look through this book you will see a variety of 4-H project areas and leadership opportunities that are offered for all age ranges. Participating in the Hampshire County 4-H Fair is a highlight in the lives of our 4-H'ers. During the fair, they will create memories and make friendships that may last a lifetime.

Congratulations to all of our 4-H'ers and all youth whose work will be recognized during the fair. And many thanks to all of our youth and adult volunteers and staff who contribute "To Make the Best Better"!

This fair could not happen without the caring and talented 4-H adult volunteers who work directly with our youth. The experiences that result inspire creativity not only in our youth but also in our adults who give their time and talent to make this event a success.

Goals of the Hampshire County 4-H Fair are to:

1. Showcase, evaluate and recognize the accomplishments of the 4-H members and other youth.
2. Encourage teens and adults to become 4-H volunteers.
3. Highlight the county 4-H program.
4. Familiarize the public with 4-H philosophy.
5. Provide an opportunity for the public to participate in the enjoyable and educational, family-oriented 4-H events.

Hundreds of people will attend the fair and once again, be impressed by the accomplishments of our 4-H'ers and other youth. Although certain activities are standard every year, there are new opportunities that arise in particular 4-H areas.

4-H'ers continue to take pride in sharing their expertise with the public. For many fairgoers, this is their exposure to 4-H and the positive impressions they receive are lasting and strong. Thank you for connecting to the public by sharing your positive experiences and continuing to grow our Hampshire County 4-H program!

And, finally, thank you to the Hampshire County 4-H Fair Committee, including Nancy Searle, Larry Honeyman, Julie Severance, Sherry Whitmore, Heather Mason, Joyce West, Laurie Mues, Sandy Brougham, Kara Macaluso the fair department heads and the Cummington Fair Board of Directors, for their support of 4-H!

Tom Waskiewicz

In addition to complying with all laws and regulations governing animal health issues all fairs must adopt and enforce the following rules for governance of the fair: 2018 Fairs- Animal Health Rules NO animal will be admitted to the fairgrounds unless it meets the requirements below. NO animal is to be unloaded or enter a barn or tie-out stall until the animal and its paperwork have been inspected and approved for entry. A. General Rules for All Animals: See M.G.L. c. 128 §2C, 129 §2 1. All animals must be in proper physical condition, be properly identified and free of visual evidence of infectious, contagious or parasitic disease at time of arrival. Specific diseases and conditions which will disqualify an animal for entry are identified for each species in the following sections of the rules. Animals of any species with open or draining wounds will not be approved for entry. 2.

Evidence of infectious, contagious or parasitic disease or failure to produce the necessary documents for health certification, vaccination or testing will result in the animal's rejection for entry. THE INSPECTOR'S DECISION IS FINAL. 3. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited. 4.

Official ID: See Final Rule: Summary of Traceability for Livestock Moved Interstate (Summary of general Requirements by Species) All livestock must have proper official, individual ID as required for the species, e.g. official metal ear tag, tattoo, scrapie tag, or microchip. Registration forms must accompany health certificates when used as part of official identification. 5. Health Certificates: -- PLEASE NOTE: SAME AS RULES FOR 2017 One Official Certificate of Veterinary Inspection (OCVI) may be allowed for animals of the same species to be exhibited at fairs or shows in any of the New England states (CT, *ME, MA, **NH, RI, and ***VT) when submitted with an itinerary of the dates and locations of the events at which the listed animals are expected to be shown. Only animals that are healthy at the time of shipment may be moved. Note that *ME, **NH, and ***VT have additional requirements. Certificates of veterinary inspection in these states are valid for a shorter period of time and may have additional language, movement and permit requirements. For the 2018 Show and Fair Season, livestock animals being exhibited in New England states must have official certificates of veterinary inspection (OCVIs) that meet the following requirements: a. CT, MA, and RI: OCVIs issued on or after January 1, 2018 may be used for those animals being shown at multiple fairs and shows in

CT, MA, and RI through the 2018 show/fair season ending October 31, 2018. i. ME: Exhibition season OCVI applies only to animals exhibited at Maine agricultural fairs from July 1 through October 31 and the OCVI must state "For Exhibition Only". An importation permit for exhibition animals is also required. Contact ME State Veterinarian's Office (207-287-3701) for details and permits. ii. NH: Animals exhibited in NH must originate in a New England state and move on OCVIs issued on or after April 1, 2018 to participating NH fairs and shows from July 1 to October 31, 2018. Contact NH State Veterinarian's Office (603) 271-2404 for details and permits. iii. ***VT: Contact the VT Animal Health Office (802-828-2421) for specific import requirements that deviate from the general information in this letter and must be met for legal import of livestock. b. A single OCVI from the animals' home state may be completed for travel to and from the New England states in which the animals will be exhibited. MA animals being shown ONLY in MA may substitute a signed, dated letter on the letterhead of an accredited veterinarian for an OCVI if all required information is included and all additional requirements are met. c. Multiple animals of the same species may be listed on one health certificate with appropriate individual IDs and descriptions. Animals of different species may not be listed on the same official health certificate. d. An itinerary of the names and locations for each New England fair or show at which owner expects to show the listed animals and the dates when each animal are expected to be on each site, must be prepared by the owner and presented to the veterinarian at the time the OCVI is written. i. A copy of this planned itinerary must be attached to the

official health certificate (import and export) for it to be used for more than one fair or show. ii. That proposed list should be signed by the veterinarian and the owner/ exhibitor and reference the relevant OCVI number(s). e. The name and address of the first show or fair where the listed animals will be exhibited is to be used as the "destination" on the OCVI form. In addition, "See attached list" or a similar statement directing Animal Health Officials or Fair Inspectors to the attached proposed itinerary must be included. f. Exhibitors must keep an accurate list of the show locations and dates when their animals were actually on the show/fairgrounds. This record must be available to fair inspectors at each inspection and check-in. g. Any animal listed on an OCVI that becomes sick must remain home. If the animal is refused entry to any exhibition during 2018 for health reasons it must have a new health certificate issued by an accredited veterinarian within 30 days of the next interstate movement. h. Any New England state may end their participation in this agreement and revert to the standard published requirements for livestock imports in the state at any time, in the event of foreign animal disease outbreak or changes to state legislation. ADDITIONAL

REQUIREMENTS FOR EACH SPECIES ARE LISTED BELOW. B. Cattle: See M.G.L. c. 129 §§2, 39 and 330 CMR 4.04(2).

1. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States and instate animals. Current brucellosis and TB status in the exhibitor's state can be obtained from the state veterinarian's office in each state. If the exhibitor's state is not TB-Accredited or Brucellosis-Free, then the exhibitor must call the Massachusetts Division of Animal

Health for entry requirements (617-626-1795). All animals must be free of visual evidence of the following diseases and conditions: foot rot, mange, pink-eye, ringworm, warts, cow-pox and open or draining wounds. 2. While not required, it is strongly recommended that all cattle be currently vaccinated for rabies. C. Poultry: See M.G.L. c. §§2, 129, and 330 CMR 5.02. 1. No poultry will be admitted to a fairground until it has been individually inspected. 2. All poultry must be free of visual evidence of the following diseases: infectious bronchitis, coryza, pullorum-typhoid, fowl-pox, external parasites and laryngotracheitis. 3. Each bird must be accompanied by written proof (ID card or test report) that the breeding flock was blood-tested negative for pullorum-typhoid within one year prior to entry date. 4. Birds from quarantined states will not be permitted entry. 5. All birds over 16 weeks of age as of January 1, 2016 shall be individually leg banded with a state leg band. This includes out of state exhibitors. 6. No bird vaccinated for laryngotracheitis within thirty days of the fair will be admitted. D. Goats : See M.G.L. c. 129 §2, 9 CFR 79.6 and Massachusetts Emergency Order 1-AHO-06. 1. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States and instate animals. 2. All goats and kids presented, regardless of age, must be individually listed and identified on the health certificate. All goats must be free of visual evidence of the following diseases and conditions: foot rot, mange, pink-eye, ringworm, warts, pox and open or draining wounds. All goats must also be free of sore mouth and scrapie exposure. 3. Based on the Federal Scrapie Eradication Program (FSEP), goats and sheep of any age or sex brought to show or exhibition from either out of state or within state must possess a USDA approved individual identification tag, tattoo, or electronic implant consistent with the requirements of the FSEP and the Massachusetts Emergency Order 1-AHO-06. Information on approved tags, tattoos, and electronic implants is available from the USDA-APHIS office in Sutton, MA at 508-363-2290. E. Camelids (Llamas, Alpacas, etc.): See M.G.L. c. 129 §2, M.G. l. c. 131, §23, 321 CMR 9.02. 1. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States and instate animals. Current brucellosis and TB status in the exhibitor's state can be obtained from the state veterinarian's office in each state. If the exhibitor's state is not TB-Accredited or Brucellosis-Free, then the exhibitor must call the Massachusetts Division of Animal Health for entry requirements (617-626-1795). 2. All Camelids originating from outside the Commonwealth are required to be tested for Blue Tongue. Exception: Animals from a USDA declared "Low Incident State" are exempt. Note: New England and New York are low incident states. 3. All animals must be free of visual evidence of the following diseases and conditions: foot rot, mange, pink-eye, ringworm, warts, pox and open or draining wounds. F. Swine: See M.G.L. c. 129 §14E, 330 CMR 11.04(2), 9 CFR 71.19 1. All swine must be identified by an official ear tag or registration. 2. Swine must be free of visual evidence of the following diseases and conditions: erysipelas, atrophic rhinitis, mange and open or draining wounds. 3. No person shall import into Massachusetts from outside the state any swine which have been pseudorabies vaccinated. M.G.L. c. 129 §14E. 4. No person shall import into Massachusetts swine from Stage I or Stage II Pseudorabies States. 5. All swine shall originate from qualified pseudorabies-free herds, or monitored herds in qualified pseudorabies free States only. The pseudorabies status of the exhibitor's state can be obtained from the state veterinarian's office in each state. G. Sheep: See 9 CFR 79 and Massachusetts Emergency Order 1-AHO-06. 1. No sheep will be allowed entry from flocks in which Scrapie has been diagnosed or in which animals are under surveillance for Scrapie during the previous eighteen months. Based on the Federal Scrapie Eradication Program (FSEP) and the Massachusetts Emergency Order 1-AHO-06, sheep of any age or sex brought to show or exhibition from either out of state or within the state must possess a USDA approved individual identification tag, tattoo, or electronic implant consistent with requirements of the FSEP. Information on approved tags, tattoos, and electronic implants is available from the USDA APHIS office in Sutton, MA at 508-363-2290. 2. No sheep will be permitted entry from flocks in which Soremouth has existed or in which Soremouth Vaccine has been administered in the previous sixty (60) days. 3. Sheep must be free from visual evidence of foot rot, sore mouth, pink eye, ringworm, and open and draining wounds. 4. While not required, it is strongly recommended that sheep be currently vaccinated against rabies. H. Equine: M.G.L. c. 128 §§2C, 44, 330 CMR 16.05. 1. All equines entering a Massachusetts fairground must have a valid health certificate. 2. All equines must be free of visual evidence of the following diseases and conditions: mange, ringworm, soring, strangles, and open or draining wounds. 3. All equines originating from within and outside of the Commonwealth must have a negative USDA-approved EIA test (i.e., Coggins test or ELISA test) dated within twelve months of entry. 4. While not required, it is strongly recommended that all equines be vaccinated for rabies, tetanus, EEE and WNV within one year of the fair. I. Rabbits: See M.G.L. c. 129 §2 Rabbits must be free of visual evidence of the following diseases: snuffles, wet tail, skin and ear infections. J. Dogs and Cats: See M.G.L. c. 129 §39G 1. All dogs and cats must be free of visual evidence of the following diseases: kennel cough, distemper, hepatitis, parvo, ringworm and mange. 2. All Massachusetts dogs and cats and those originating from out of this State must have a valid and current vaccination certificate for rabies. All petting zoos are required to have a USDA APHIS Exhibitor's License and valid health certificates.

HAMPSHIRE COUNTY 4-H FAIR
July 7, 2018
Cummington Fairgrounds, Cummington MA

General Rules:

1. **All animals and exhibits must remain until after the closing ceremony and awards. Prizes and premiums will be withheld for any infraction of the Fair rules.**
2. Eligibility - This Fair is open to all youth, you do not have to be a 4-H member to participate.
 - ✻ **Cloverbud** – youth under age 8 as of 1/1/18 (Check each department you are entering for the Cloverbud guidelines.)
 - ✻ **Junior** - youth ages 8 through 10 as of 1/1/18
 - ✻ **Intermediate** - youth ages 11 through 13 as of 1/1/18
 - ✻ **Senior** - youth 14 through 18 as of 1/1/18. You may not have reached your 19th birthday as of 01/01/18.
 - ✻ **Novice** – first year exhibiting
 - ✻ **Youth with developmental, intellectual or physical disabilities** - ages 9 through 22 as of 1/1/18. Youth requiring accommodations should contact Tom Waskiewicz outlining the accommodations **being requested by June 1.**
3. All entries should be made on the official entry blanks enclosed. You may duplicate the entry form or request additional forms. The forms can be found online at: www.mass4h.org. Go to "News & Events," then click on "4-H Fairs." **All entries must be postmarked by June 19th** and mailed to Laurie Mues 60 Barton Avenue Belchertown MA 01007. **Entries not postmarked by June 19th will have a fee imposed according to the department rules as stated in this fair booklet (usually double the regular department entry fee). Exhibit hall late entries will be charged \$1.00 per class entered.**
4. All exhibitors are responsible to follow the rules of the department(s) they are entering.
5. Only youth exhibitors are allowed to work on animals or exhibits at the fairgrounds.
6. All exhibitors showing livestock must follow the dress code stated for their department.
7. All livestock exhibitors must be present to exhibit their animals.
8. Undesirable or poor quality exhibits may be refused by the department superintendent.
9. The judges and superintendents reserve the right to refuse any exhibits that are not on the premium list. The decision of the judges is final.
10. Placing will be given according to quality. The decision of the judges is final.
11. All premium money will be paid from the awards as marked in the judges' books and not from ribbons that are attached to the exhibit, as ribbons are sometimes misplaced. Premiums will be mailed to exhibitors after the fair paperwork is completed. **Premiums will be paid according to numerical placing within the class using the number of points as listed.**
12. Alcoholic beverages or the use of illegal drugs will not be permitted at this fair. No tobacco products in any building. These rules are in effect for the safety of all. Spectators and parents, as well as exhibitors are expected to abide by these rules.
13. The Hampshire County 4-H Fair Association will not be responsible for the loss, theft, or damage to articles or animals that are being exhibited. The Fair will take every precaution to safeguard all exhibits.

DEPARTMENT # 22 HAMPSHIRE COUNTY 4-H CHALLENGE DEPARTMENT

Superintendent: Nancy Searle

The Challenge Classes are an exciting addition to the 4-H Fair. In a Challenge Class, everyone starts out with the same materials and instructions, and the results are exhibited at the Fair. Challenge Classes require pre-registration in April. All challenge class participants must send in a written entry to indicate which challenge exhibits they are bringing to the fair. There is no entry fee to enter your challenge items.

Exhibits must remain until after the awards ceremony. All entries must be picked up between 5:00 pm - 6:00 pm on Saturday, July 7th

All challenge entries must be received or postmarked by June 19th.

 Class entries must be checked in between **2:00 – 7:00P.M. on Thursday July 5th** Challenge Classes are judged under the Danish system and all entries receive ribbon awards. Trophies will be awarded to top entries.
