Any exhibitor who raises \$90 or more will be credited one stall fee. Any rider that collects \$350 in sponsorships will show for free all weekend (one horse/rider combo). Sponsorships can be in the form of class, championship, or banner sponsors. **Please see the sponsor form at the end of this book for further details.**

Drill Teams

Drill teams are invited to attend our show and perform a demonstration drill for the delight of our exhibitors and spectators. There will be no official competition. Drill performances will be done on Saturday evening after the scheduled classes for the day are completed. Drill Team presentations cannot be longer than 15 minutes. All Drill riders are required to follow the same rules as show exhibitors. Drill Team horses are not required to participate in fitting & showmanship classes unless they are showing in other classes at the show. Drill horses that are only performing in the Drill Presentation are not required to stay on the grounds for the entire weekend and may arrive on Saturday afternoon before their performance.

Stall Decorating Contest

Join in on the fun and decorate your stall or stall area for the weekend. A Judge will come around on Saturday to score each entry and results will be announced during the awards ceremony. You can choose any theme you wish. Creativity is encouraged; just remember to keep safety in mind. Inappropriate materials will be taken down by Show Management. Divisions will include Individual Stall and Group Stalls/Aisle. Please circle this on the entry form to declare participation (only one person per group should circle). Prizes will be awarded for 1st - 10th in both divisions.

The contest will be held on Saturday night in the arena. Ducks will be on sale until right before the start of Chuck A Duck. The winner of the final round will win 50% of the jackpot raised!

Division / Class Descriptions

Lead Line Classes

The Regional 4-H Horse Show will offer three Lead Line classes (these classes will not be counted as a division). 4-Hers ages 5 to 7 **OR** any enrolled 4-Her that is unable to show off the lead are eligible to enter the Lead Line classes. A Lead Liner may exhibit on any horse that is already being shown during the weekend. Show attire, including an ASTM/SEI approved and fitted helmet with chin harness properly fastened, must be worn during these classes. The person leading the horse must be 18 years of age or older and wearing closed-toed shoes. Every rider will be awarded the same color ribbon in these classes.

Regional 4-H Team Pleasure Classics

Two riders team with one horse. Each class is open to all ages and seats. One rider will be judged on the rail in the first direction, the second rider will be judged in the second direction. There will be no communication between the riders or you will be eliminated. A mounting block may be used. Although show tack and attire are not required, proper tack and safety attire is required (helmets and boots). Additional testing will be at the judge's discretion. The cost is \$15 per team per class.

Alumni Division

This division is open to adult alumni 4-H members. This means that the exhibitor is 19 years of age or older as of January 1st and is NOT a current 4-H member, but has been a 4-H Member in the past. You must bring your own horse to compete (you cannot use the project of a 4-H member). All show rules apply including but not limited to appropriate show attire, ASTM/SEI approved helmet, etc. Alumni are allowed to show a horse used by a 4-Her if they are competing in a different discipline (not under saddle). Example: A 4-Her can show a small equine in the performance division. Alumni can then show that same small equine in the driving division.

Driving

Entries to be shown to a suitable 2 or 4 wheeled vehicle with an appropriate harness. All drivers (Jr. or Sr.) may have an adult passenger at their option, excluding small equine. Headers ARE REQUIRED and will be called into the ring when horses are lined up. Please consult the New England 4-H Rulebook for all rules and safety precautions.

Driving All-Around

Horses should be easy to handle, quiet, usually easy gaited, and should not show undesirable mannerisms. The overall performance should be smooth, consistent, and obedient. All horses will be asked to walk, pleasure trot, extend the trot, and halt, and will be asked to rein back. Excessive speed or excessive slowness may be penalized. The first way of the ring will be judged on reinsmanship, which will be 40% of the class. The second way of the ring will be judged on pleasure driving, which will be 40% of the class. Once horses have worked both ways of the ring, they will be called into the line-up. When announced, one handler (who must be 14 years of age or older) may enter the ring to help strip tack and place a halter/bridle on the horse. The exhibitor will then line up head to tail to be judged on conformation, which will be 20 % of the class.

Adult Grooms Classes

These classes are open to ALL ADULTS ages 19 years and over as of January 1st of the current year who are NOT showing during the weekend of the show. Show clothes are not required. Proper tack and safety attire is required (helmet and boots). Please dress professionally if not in show attire. The entry fee is \$15.00 per class. These classes will be judged by the show judge(s). Adults may show horses in these classes that are already being shown by a 4Her at the show.

Western All-Around Performance

Horses should be easy to handle, quiet, usually easy gaited, and should not show undesirable mannerisms. The overall performance should be smooth, consistent, and obedient. All horses will be asked to walk, jog, and lope both ways of the ring and will be asked to back. Excessive speed or excessive slowness may be penalized. The first way of the ring will be judged on equitation, which will be 40% of the class. The second way of the ring will be judged on pleasure, which will be 40% of the class. Once rail work has been completed, exhibitors will be called into the line-up. When announced, one handler (who must be 14 years of age or older) may enter the ring to help strip tack and place a halter on the horse. The exhibitor will then line up head to tail to be judged on conformation, which will be 20 % of the class.

English All-Around Performance

Horses should be well-mannered with a smooth, consistent, and obedient performance. All horses will be asked to walk, trot, and canter both ways of the ring and will be asked to back. Excessive speed or excessive slowness may be penalized. The first way of the ring will be judged on equitation, which will be 40% of the class. The second way of the ring will be judged on pleasure, which will be 40% of the class. Once rail work has been completed, exhibitors will be called into the line-up. When announced, one handler (who must be 14 years of age or older) may enter the ring to help strip tack. The exhibitor will then line up head to tail to be judged on conformation, which will be 20 % of the class.

Small Equine In Hand All-Around

Small equines should be easy to handle, quiet, usually easy gaited, and should not show undesirable mannerisms. The overall performance should be smooth, consistent, and obedient. All small equine will be asked to walk, trot, halt, as well as back. The first way of the ring will be judged on suitability, which will be 40% of the class. The second way will be judged on the completion of a minimum of 3 obstacles, which will be 40% of the class. Once the horses have worked both ways of the ring, they will be called into the line-up. The exhibitor will then line up head to tail to be judged on conformation, which will be 20% of the class.

Ranch Horse Division

The purpose of the Ranch horse division is to showcase the versatility, attitude, and movement of a working horse. The horse's performance should simulate a ranch environment, operating outside the confines of an arena. This division should showcase the horse's ability to work at a forward, working speed while under the control of the rider. Light contact should be rewarded and horses shall not be shown on an extremely loose rein. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. Work tack and attire are encouraged. The Judge's decision is final based on their assessment of the quality of the horse and quality of movement.

Class Patterns

New England 4-H Horse Show rules state that patterns can be posted at least one hour before the event. If special accommodations are needed, **please contact show management** before June 5th.

Awards

Fitting & Showmanship will be judged on the Danish system with every exhibitor receiving a ribbon. In all other classes, a prize and ten ribbons will be awarded. In ribbon ride and team classes, an award and ribbons will be given to all participating exhibitors. Championship and Reserve Championship winners will receive a ribbon and prize for each division.

Class points, used to determine championships, will be awarded on following scale:

10 or more entries	11	9	8	7	6	5	4	3	2	1
9 entries	10	8	7	6	5	4	3	2	1	
8 entries	9	7	6	5	4	3	2	1		
7 entries	8	6	5	4	3	2	1			
6 entries	7	5	4	3	2	1				
5 entries	6	4	3	2	1					
4 entries	5	3	2	1						
3 entries	4	2	1							
2 entries	3	1								
1 entry	2									

- Ties will be broken by referring to each exhibitor's Fitting & Showmanship score, the highest score being the determining factor. If there is still a tie, the showmanship portion of your score will be used, and then your equitation points. In determining points for Championships, the full score of the Fitting & Showmanship class will be factored.
- The Regional 4-H Horse Show will honor all award recipients and division champions during the awards ceremony. Any award that is decided by a vote will be awarded at the ceremony on Sunday.
- Classes may be divided or combined as entries warrant. We will make every effort to notify exhibitors in advance if a division and/or class is to be combined or divided.
