- **J.P. Bartletts, Sudbury, MA**

Join us for a summer tour visiting three sites with trial gardens. We will begin at Cavicchio Greenhouses, Sudbury where Kerri Stafford, Head Grower will walk us through their new demonstration garden. Next we will visit J.P. Bartlett to see their new introductions. We will then meet at Elm Bank Reservation where we will have lunch and finish the day with a tour of the beautiful grounds of the Massachusetts Horticultural Society with trial garden coordinator, David Fiske.

Take this opportunity to see how annuals and perennials are performing in landscapes and containers to help decide when selecting plant material for next season.
