

Massachusetts 4-H wants you to be a Maker

DIY Knitting Needles

https://makezine.com/2006/11/10/diy_knitting_needles/

Approximate dowel sizes are:

5/16" = about a size 11

1/4" = about a size 10

7/32" = about a size 9

3/16" = about a size 7

1/8" = about a size 4

above a 5/16" won't fit in most pencil sharpeners.

Yarn Bombing: FUN Idea for the fair! Use yarn to cover/bomb an object and incorporate/add the 4-H Clover. (Object used should be less than 18" in either direction. The 4-H Clover should be in green with its stem pointing to the right and a white "H" on each leaf.

Try other simple yarn projects with either crocheting, knitting, weaving.... How about a cup or teapot to start and make a cozy and add a design.
